

Good to *know*

We got the hang of it – match your light with your mood! All it takes is a simple twist and you have the perfect light for any occasion. Do you want a cheery morning at 2850 K or a romantic evening with a candlelight atmosphere at 1800 K? Either way we have it covered!

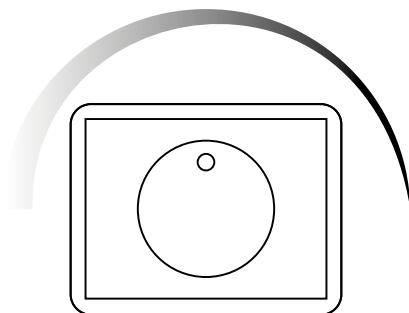

All you need is a three-conductor cable, a phase-cut dimmer, and one of our ambient white dim luminaires. Keep shining!
